**ORGAN SCHOLARSHIP
2023-2024**

St Mary Magdalene Choral Foundation

St Mary Magdalene Church, Richmond, seeks to appoint an Organ Scholar for the academic year 2023-2024 (September till end of July), with the potential opportunity to continue for a second year by mutual agreement. The Organ Scholar receives an annual honorarium of £2,000 - £2,500 (depending on experience) and generous extra fees for any weddings/funerals throughout the year.

Music at St. Mary Magdalene

Music plays an integral role in worship at St. Mary's. The church has an able and enthusiastic robed SATB choir, supported by four Choral Scholars (SATB), which performs music covering a vast variety of musical styles from the Renaissance to the present day.

A typical Sunday Eucharist will contain a voluntary after the service, hymns, an anthem, a responsorial psalm as well as a mass setting. Choral Evensong is sung every week (apart from August) using a host of different responses and canticles, which allow the choir to explore more repertoire including larger evening settings.

The church is a particularly beautiful Grade II* listed building in the centre of Richmond and is an inspiring place to work.

The St Mary Magdalene organ is a 3 manual 1907 Walker & Sons, restored in 1965 and 1999 with a conversion to an electric action, new pedalboard and tonal alterations. There is also a Blüthner grand piano in the church.

Organ and Choral Scholars are sometimes able to use the church for practice, concert performances, etc. subject to agreement with the Director of Music and booking with the Parish Office.

St Mary Magdalene Choral Foundation

In 2017 money received from legacies was used for the setting up of a Choral foundation at St Mary Magdalene Church. Subsequently monies have been given to continue the work of the Foundation.

Its aims are threefold:

1. To enrich the worship at St Mary Magdalene through music
2. To grow the choir and repertoire
3. To develop the musical skills of individuals

The Soprano Choral Scholarship 2023-2024 is known as the 'Valerie Boyes Scholarship'.

The Bass Scholarship 2023-2024 is known as the 'Nick Carpenter Scholarship'.

The Role

The position of Organ Scholar involves assisting the Director of Music in all musical aspects of the services and rehearsals. There will be many opportunities for playing, conducting and contributing to the general running and organisation of the music department, which will include some work in managing the choir library. The scholarship can be designed to suit each candidate's needs, focusing on conducting, playing, or a balance of the two.

The Organ Scholar may also sing when not playing, conducting or assisting another organist. Additionally, there is a monthly recital series and various choral concerts. Scholars are encouraged to perform in these concerts when required.

Several festivals over the course of the year do not fall on Sundays including Advent and Christmas services, Ash Wednesday, Holy Week services, Ascension Day, etc. The Organ Scholar is expected to be available for these services with the exception of Midnight Mass/Christmas Day.
