NEW: ZERO WASTE WEEK - first week of September

Leftover foreign currency, out of circulation coins from here, there and everywhere...

We all have coins and notes lurking in the back of drawers, in envelopes beneath your passports, in a spare purse and so on. Will we be going back to China? Do I need those old Lira?! Probably not - so let's have a clear out and bring all our unwanted and outdated currency to church the first two weeks of September. There will be collecting boxes in all three churches. We will then donate the collection to Oxfam whose aim is to reduce poverty around the world. Did you know there is an estimated £2.7bn worth of unused foreign currency lying around in the UK? – let's find as much of it as we can and support a very worthwhile charity in the meantime.

Alpha is Coming to the Richmond Team Ministry – Get Involved!

We're excited to announce that a Team Alpha Course will be running on Monday evenings from 22nd September 2025 at St John the Divine. Alpha will run for 10 weeks starting at 7pm and over by 9:15pm. We will break for a week on 27th October, so no Alpha that week.

Alpha is a relaxed and welcoming course that creates space for people to explore life, faith, and meaning. It's especially aimed at those who are new to church, curious about Christianity, or just asking life's big questions. Each session involves a simple meal, a short film, and open, honest discussion in small groups.

There are many ways you can be part of this:

- Pray regularly for the course, for those leading and attending.
- Invite friends, neighbours, and colleagues who might be interested.
- Serve by helping to prepare and serve the meals.
- Set up or pack away the space before and after sessions.
- Facilitate or support a small group discussion.

Whether you've done Alpha before or are completely new to it, we'd love your help in making it a welcoming and fruitful time for all involved.

To offer help, register interest, or find out more, please speak to/email Joe at St John's or contact the Parish Office.

Beam Work St Mary Magdalene

Work has commenced on Tuesday 12 August as planned. The work will be in three phases, the heavy structural work, followed by replastering, then redecoration.

We hope to keep the Church open as much as possible but there may be occasions when for safety reasons it will need to be closed. We will update progress and planned closures during the week in this Newsletter. The builders have our permission to close the church at any time that they feel there is a safety issue so please follow their instructions. Please avoid cordoned off areas.

The Church will be open on Saturday and for all Sunday Services.

Parish Rooms Update

The PRWG are pleased to bring the good news that (having secured the necessary go-ahead from the Council in July), construction work will start on site on 18th August. The build is expected to take about a year.

We hope to maintain good relations with the local community. The PRWG will be contacting all the near neighbours before 18th August, to brief them on the project. Thereafter, the main contractor will distribute an introductory letter to the neighbours, followed by a monthly update. In addition, the site hoarding design will include an RTM-branded description of the project and regular progress postings from the contractor.

The whole project is being managed by our professional design team (including our architect and quantity surveyor) together with the main contractor. The Parish Office will not be involved in management of the project. If you have any comments or queries, please contact Judith on

SAVE THE DATE: Talk from Eco Church - Sunday 7 September

RTM is committed to sustainable development as a guiding principle. Our aim is to reduce the impact on the environment from our churches and other buildings that we own and/or occupy, our employees and volunteers, and strive to make our congregations and local communities more aware of how we need to care for God's creation around us. The RTM PCC has agreed that each church should join the [Ecochurch Scheme](#) and work towards its goals as part of each church's MAP (Mission Action Plan).

On the afternoon of Sunday 7 September, Helen Stephens, Church Relations Manager, A Rocha UK, will be presenting a session for RTM. Eco Church is an [A Rocha UK](#) programme. Sunday 7 September aptly falls at the start of [Creationtide](#).

Giving, one off, regular and planned

At the end of each service you will find a plate at the back of church for your cash offering. Gift aid envelopes are available if you are a UK taxpayer. You can also give by using the card machine.

If you can, would you consider making a regular gift to the Richmond Team, for the upkeep of our churches and the work of the Team?

Last year we introduced the Parish Giving Scheme (PGS). Many thanks to those of you have joined the scheme. If you are still making regular donations by standing order, envelope or GiveALittle, please do switch to PGS if you are able to. This will help us enormously by reducing the amount of administration and significantly improving our cashflow. If you have any questions, please [contact Jackie Harrison](#) or 07747 111525.
