PARTNERSHIP SPOTLIGHT

Twickenham Hygiene Bank donated an incredible 295kg of essential hygiene products for our guests.

One moment captured what that generosity means in practice. A guest experiencing street homelessness approached us and quietly asked for a cup of coffee. As his eyes drifted to our hygiene supplies, he tentatively asked if we might have a toothbrush. Thanks to Twickenham Hygiene Bank, we gave him a toothbrush, toothpaste, and wipes.

The dignity restored in that moment spoke volumes. Sometimes it's the smallest essentials that remind someone they are seen, valued, and cared for.

VOLUNTEER VOICE

"It is quite difficult to find volunteer roles with such immediate impact.

RSK gives many people the opportunity to contribute for a few hours, with no formal commitment beyond their assigned session.

The sessions are well run, the attitude towards Guests is great, and so many people - Guests and Volunteers alike - benefit from being involved."
